About Us

In the year of 2010 RAI Institute of Hotel Management was Established, with affiliation of Annamalai university (UGC recognized HRD Ministry govt. of India), and also conduct various Technical Courses Under various Technical university. Last few years we create maximum numbers of placement for our students. We have the ultimate infrastructure for hospitality management education. Our main aims is to provide 100% placement to our students.

Academy has a long history in the area of being one of the finest Hospitality Management Institutions in the eastern India. We've been running classes here since 2010 and have many numbers of successful hoteliers & hospitallity professionals join the great illustrious careers in the hospitality Industries. RAI INSTITUTE OF HOTEL MANAGEMENT is one of leading and prospective HOTEL MANAGEMENT Institution, which is located at Kalyani one of the educational & industrial hub in West Bengal. It is just 1 hour journey from Kolkata. Our all courses are Job guaranteed and we maintain 100% placement record since 2010.

Our mission & vission

We import not only education but also the lesson to be a good and responsible humanbeing.

- * To encourage the abilities of students to feel the challenges of the industry as well as life.
- * To learn the values and cultivate the abilities to accommodate the views of others.
- * Preparing students through highly professional mannerism so they can become inspiration for others.

“Our vision is to generate a stimulating, learning & development process to encourage the students to build the career through which economical & social changes can take place in the society. We encourage more people to join us & enhance their skills - ideas.”

Training

We organized upto 6 months compulsory industrial training for every students in leading star category hotels. It is a supplement to the present academic programme and provides an opportunity for students to familiarize with the environment of the industry. The training is evaluated and closely monitored by the authority. They also obtain certificates from the concerned organizations which add value in their career. our ultimate goal is to skillup and providing maximum employments to the youths.

Up to **₹30000/-** Scholarship available

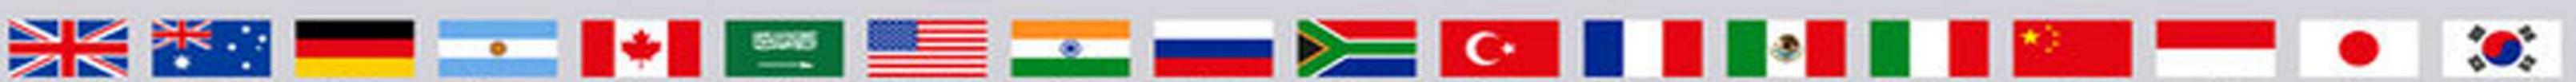

What is Hotel Management?

Hotel management is a detailed study of the hospitality and hotel industry. Greeting and meeting people on one's responsibility is definitely not rocket science but also it is not as easy as it seems. In hotel management courses you will be imparted skills as to how you can manage at your best the operations of hotel, motel, resort, etc. Hotel and restaurant management courses offered in educational institutions across India train students to become successful hotel managers, hoteliers, etc. It is one of the most sought-after courses as it provides the wide array of opportunities available in the hospitality industry in India and also abroad.
